(This is an annual cost and will be up for renewal a year from registration)

WHAT IS WEB HOSTING?

Web hosting is the rental of space online for websites, emails, web statistics, etc. There is a yearly fee for this service.

The following is a list of some of the services offered with our hosting packages:

- Online storage space for your website & emails
- Web Statistics – allows you to track the visitors to your website e.g. where they came from, what pages they looked at, etc.
- Web mail – online access to your emails (as long as they have not already been downloaded onto your computer)
